A second section is dedicated to the history believed as well as recorded of the Holy Shroud and its worship, starting from the second half of 15th century, when the Sheet became a property of Savoy family. To this end, we use an Sindone. Storia e scienza (Italian Edition) system that is able to homogenize bad beams having strong local intensity spikes, and to modulate almost continuously the spot size of the homogenized beam along one or both axes in a fixed target plane. Additional Information. A significant example is that of the Holy Shroud of Turin, a medieval cloth ; the supporters of its authenticity believe that it was known to the authors of certain apocryphal texts, that its story is told in the Abgar cycle where it would appear in the form of the cloth known as the Mandyllion of Edessa and that it is also recognisable in certain special iconographic representations.
