True wisdom, as the fruit of self-examination, dialogue and generous encounter between persons, is not acquired by a mere accumulation of data which eventually leads to overload and confusion, a sort of mental pollution. Human beings, endowed with intelligence and love, and drawn by the fullness of Christ, are called to lead all creatures back to their Creator. Never have we so hurt and mistreated our common home as we have in the last two hundred years. But, what if you knew that living green was not about meeting an obligational. Other Editions 2. It is extremely risky for a small part of humanity to have it. Icke also thinks climate change is a hoax. Or even that naughty. We may well be leaving to coming generations debris, desolation and filth. Not at all!
