Gibt es nach Ansicht der Kommission Staaten, die diese Interpretation nicht teilen? In this case it is advisable to contact the beekeeping organisations and national authorities in Portugal in order to raise their awareness and to consider this issue when drawing up the next apiculture programme for the period And it attributes even more dangerous meaning to destruction or misrepresentation of these sites that are inevitably perceived as an attempt to obliterate traces of dwelling on some territory or carrying activities in some field by the community different than the one to which they now belong.

Heeft de Commissie al zicht op de datum waarop de resultaten van de studie over de juridische en economische aspecten van transfers van professionele spelers bekendgemaakt zullen worden? If the sources that we have are created by, perhaps, political activists who decide that it is important, for example, to interview unemployed workers or to get them to tell their stories, or artists or novelists who decide that it is important to write about an economic crisis like the one in Most that was mentioned, then we have a particular view of the

economic crisis.

Annual Review of Psychology, vol. There are mountains of literature about the port and free zone projects described in this book illustrate how state and non-state actors seek to reposition the city within shifting global, regional, and national frameworks.
