Just as syphilitic corruption is forced on the helpless foetus in its mother's womb, so these hereditary social evils are forced on the individual embedded in the womb of society and drawing his ideas, moral standards, and spiritual ideals from the general life of the social body. While he does have his problematic elements, at many points he is profoundly aware of misunderstandings of his theology and is deeply critical of modernity. He had his extremes, but his heart was centred on Christ. Search by title, catalog  
The delinquencies of a new movement are keenly observed because they are new; the shortcomings of an old system are part of the accepted scheme of life. Theology always needs rejuvenation. TriviaAboutATheologyforTheology has often received its most fruitful impulses when secular life and movements have set it new problems.
