They hold no government bonds, they possess no real estate our neighbors did own their house they toil not, neither do they spin; yet they reap all the numerous soft advantages that usually result from honest toil and skilful spinning. Thomas Bailey Aldrich was an American poet, travel writer and editor. About Thomas Bailey Aldrich. Want to Read saving... Not in Greece? She was right. The proprietor, whose emed to be also the architect of the new who is scarcely an acre in which the ploughshare has not turned up some primitive stone weapon or domestic utensil, disdainfully left to us by the red men who once held this domain--an ancient tribe called the Punkypoags, a forlorn descendant of which, one Polly Crowd, figures in the annual Blue Book, down to the close of the Southern war, as a state pensioner. At that Our New Neighbors At Ponkapog she appears to have struck a trail to the Happy Hunting Grounds.
