I get why Hawthorne tried to bury it as it wasn't up to his later standards, but

His themes Fanshawe And Other Stories center on the inherent evil and sin of humanity, and his works often have moral messages and deep psychological complexity. He published it anonymously, and later in life tried to suppress it. One knows that because of the type of story it is, such and such should happen, so it's not hard to follow, but within the story itself, there's remarkably little support for it all.

The Haunted Mind. Hawthorne's Short Stories.
