Although I do not have cancer am 73 years old two of my sisters have died from it, both at the age of I would choke up with pride for. The C Word There is an illness they have discovered After all the tests that you have suffered That has brought us all together We know you cannot last forever We had guessed and worked it out But we didn't scream and shout As we hoped that we were wrong And keep you here where you belong To

us all you were an angel Glowing brightly in the dark But the illness, could be fatal So to the gods we hark You do not deserve this, which you have Writing Treasuring Notes to Your Daughter When She Has Chemotherapy back to the times we played, and laughed Looking back to times not so long ago with the unconditional love that you did show The love, for me, the love for all Since i was one and a half feet tall I have known you all my days and now you are fading away So this is my love back for what you have done For the food, the love the fun We all hope that you pull through And we can show our love for you This isn't it its not the end I wish that this was all pretend I wish it wasn't you, but not another My greatest friend, My grandmother.

I love life because of what I've been through I can't wait to see when a day is new In memory of Jeanie Williams. This time Alopecia seemed to determine to stay! I long for death to make me whole, to give me what was denied me in this life.

She laughs and said I will not do it. This is education that so many of us need. I continue to pray for her day-in-day out because Gods Will will be done and in that I have no doubt. I hope my poetry will be able to help in research.
