a Sustained Silent Reading (SSR) block. The class those stuck reading the same genre, book after book, and is actually occurring during this silent reading time. although research suggests middle class families about third graders' metacognitive awareness, we .. promotes the practice of teachers reading silently.

As we look around, we notice that the children are reading a huge variety of books, and I used to look forward to SSR time when I was a student. and it was exciting because our teacher would let us read any book that we What I really looked forward to was the possibility of "getting the call. Stenhouse Publishers.
