Austrian-Greek encounters over the centuries: history, diplomacy, politics, arts, economics. Generals and politicians commonly believed that this would be a short conflict, bringing in its wake opportunities to settle old scores and to acquire new territories. Soon after the outbreak of hostilities, Britain began a naval blockade of Germany. Norwich University is an important part of American history. Partial mobilization Learning of the German response, the Allied governments were free to make clear demands in their response of 14 January. The Fischer school challenge to the revisionist consensus There was little reason to question this comfortable orthodoxy after Otte, T. In October Austria-Hungary precipitated the Bosnian crisis of – by officially annexing the former Ottoman territory of Bosnia and Herzegovina which it had occupied since The Russians therefore moved to full mobilisation on 30 July as the only way to prevent the entire operation being botched.
