A remarkable attendant cast of characters, including a stroke survivor whose soulmate is a vivisected monkey, an aging big-game hunter who finds spiritual renewal in his infatuation with an eight-year-old—the formidable Emily Bliss Pickles—and a widower whose wife continues to harangue him, populate this gloriously funny and wonderfully serious novel where the dead are forever infusing the living, and all creatures strive to participate in eternity. And the ghost is fantastic. I hate it when authors use their character to tell people about all of the stuff. She joins, thinking it will help her get vengeance, and meets former henchman for Herod, Cort, and Herod's son, 'The Kid'. There were a lot of characters that didn't really seem to fit together and there was little overlap between the characters. Sort order. Support people-powered non-profit journalism! Jake Culpepper with two draft-age sons, recently divorced by a woman who bitterly hated the army, calling it his "mistress", was the product of four generations of career Army men.
