### **3 Lessons Off-Road Racing Taught Me About My Business**

The best way to find your tribe is by creating one: It finally taught me the value of making what I wanted instead of sitting around and wishing.

Since I've been on the road a lot, I have had to deal with my emotions alone with my own internal voice. Below is what life has taught me over.

I hope these lessons my father taught me will make this subject easier to He always told me to take care of my tools so that they would work the way they were .

Valuable lessons this rather mediocre year has taught me. . Life never stands still, and there is no way around the fact we can't hit pause.
