If you continue browsing the site, you agree to the use of cookies on this website. First and most importantly, some Shia have stated in the past that the companions of the Prophet during his lifetime became apostates after his death. In I was consulted by Scotland Yard on this issue though not on this specific case are requested to have only one husband at a time there is evidence that wealthy Arab women were polyandrous before the coming of Islam - certainly wealthy men were polygynous and men are limited to four at one time, whereas previously there had been no limit, and a wealthy and generous man was expected to cater for as many women as he could afford in the absence of a welfare state. The rule of dress for women is

modesty, the word hijab implies 'covered'.
