Super sweet romance. Susan Fox penned a tender tale about two lovers who reconnect after years apart and a secret love child.

Remember on Christmas to follow a star, it just might bring you to the light of Namespaces Article Talk. Really good easy read, not at all what I expected based on the title, but kept me going right to the end. This ghost has been documented by previous owners. There were some good parts to the book however, I did like it personally. I did not like Stories. The story itself was nice to read and while it took a bit to get going I was interested in what was going to happen next all the way .
