Very important to me during my pregnancy. Listen to your body. I think it is potentially harmful if it encourages women to disregard more common sense. Jun 16, Lily rated it really liked it. This book is an expanded version of a manual Ms. I loved this book as an introduction to potential uses for different herbs, but I would never use it as a factual reference for herbal medicines.

Also good pre and post pregnancy and baby info! Introduction by Christiane No. If pregnancy has occurred, herbs are safe and beneficial allies in reducing the distress of pregnancy, including hemorrhoids, high blood pressure, morning sickness, emotional changes, anemia, muscle cramps, bladder infections, and preclampsia.
